

CERTIFICATE

Product

MCTVisu.cloud

Company

RC-TEC

With this certificate, the AV-TEST Institute certifies compliance with high security standards for IoT products and solutions including the connected services and applications after extensive testing in the course of the certification process. The product fulfilled all certification criteria required by the AV-TEST Institute and is therefore awarded with the AV-TEST seal "Approved Smart Home Product". The usage of the seal is permitted for 12 months from the date of issue.
